

Compensation Committee

The following Compensation Committee Charter (the “**Charter**”) was adopted by the Compensation Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) and the Board of the Company.

I. Purpose of the Committee

The purpose of the Committee is to:

- (a) oversee the Company’s compensation and benefit plans, policies and practices, including its executive compensation plans and incentive-compensation and equity-based plans;
- (b) produce an annual report on executive compensation for inclusion in the Company’s annual report or proxy statement if required by applicable securities laws;
- (c) monitor and evaluate, at the Committee’s sole discretion, matters relating to the compensation and benefits structure of the Company; and
- (d) take such other actions within the scope of this Charter as the Board of the Company may assign to the Committee from time to time or as the Committee deems necessary or appropriate.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section VII below of this Charter.

The basic responsibility of the members of the Committee is to exercise their business judgment to act in what they reasonably believe to be in the best interests of the Company and its shareholders. In discharging that responsibility, the Committee should be entitled to rely on the honesty and integrity of the Company’s senior executives and its outside advisors and auditors, to the extent it deems necessary or appropriate.

II. Composition

The Committee shall be composed of members of the Board, the number of which shall be fixed from time to time by resolution adopted by the Board. The majority of the Committee shall be determined by the Board to satisfy any applicable independence requirements established by the rules and regulations of the U.S. and Canadian regulatory authorities and any stock exchange upon which the Company’s shares trade from time-to-time. The Compensation Committee is composed of a majority of independent directors, which ensures an objective process for determining the compensation for Powertech’s directors and officers and consists of the following members: Alexander Molyneux, Matthew O’Kane and Apolonius (Paul) Struijk.

III. Authority

The Committee shall have the authority to (i) retain (at the Company’s expense) its own legal counsel and other advisors and experts that the Committee believes, in its sole discretion, are needed to carry

out its duties and responsibilities, including, without limitation, the retention of a compensation consultant to assist the Committee in evaluating director and executive officer compensation; and (ii) conduct investigations that it believes, in its sole discretion, are necessary to carry out its responsibilities. In addition, the Committee shall have the authority to request any officer, director or employee of the Company, or any other persons whose advice and counsel are sought by the Committee, such as members of the Company's management or the Company's outside legal counsel and independent accountants, to meet with the Committee or any of its advisors and to respond to their inquiries.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate.

IV. Appointing Members

The members of the Committee shall be appointed or re-appointed by the Board on an annual basis. Each member of the Committee shall continue to be a member thereof until such member's successor is appointed, or unless such member shall resign or be removed by the Board. The Board may remove or replace any member of the Committee at any time. However, a member of the Committee shall automatically cease to be a member of the Committee upon either ceasing to be a director of the Board or ceasing to be "independent" as required in Section II above of this Charter, provided the majority of members are not independent. The Board will fill vacancies on the Committee.

V. Chairperson

The Board, or in the event of its failure to do so, the members of the Committee, must appoint a chairperson from the members of the Committee (the "**Chairperson**"). The Chairperson of the Committee is Matthew O'Kane. If the Chairperson of the Committee is not present at any meeting of the Committee, an acting Chairperson for the meeting shall be chosen by majority vote of the Committee from among the members present. In the case of a deadlock on any matter or vote, the Chairperson shall refer the matter to the Board. The Committee may appoint a secretary who need not be a director of the Board or Committee.

VI. Meetings

The time and place of meetings of the Committee and the procedure at such meetings shall be determined from time to time by the members thereof provided that:

- (a) a quorum for meetings shall be two members, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and hear each other. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. The Committee may also act by unanimous written consent in lieu of meeting;
- (b) the Committee shall meet as often as it deems necessary, but not less frequently than once each year; and
- (c) notice of the time and place of every meeting shall be given in writing or facsimile communication to each member of the Committee at least 24 hours prior to the time of such meeting.

The Committee shall maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The Committee shall make regular reports of its meetings to the Board, directly or through its Chairperson, accompanied by any recommendations to the Board approved by the Committee.

VII. Specific Duties

In meeting its responsibilities, the Committee is expected to:

- (a) review and approve at least annually the corporate goals and objectives of the Company's executive compensation plans, incentive-compensation and equity based plans and other general compensation plans (the "Company Plans"), and amend, or recommend that the Board amend, these goals and objectives if the Committee deems it appropriate;

In determining the long-term incentive component of each Company Executive's compensation, the Committee shall consider all relevant factors, including the Company's performance and relative shareholder return, the value of similar incentive awards to persons with comparable positions at comparable companies, and the awards given to each Company Executive in past years;

- (f) review executive compensation disclosure prior to public disclosure or filing with any securities regulatory authorities;
- (g) issue an annual report on executive compensation for inclusion in the Company's annual report or proxy statement, if required by applicable securities laws;
- (h) review all equity compensation plans that are not subject to shareholder approval under the rules of any stock exchange on which the Company's securities are listed for trading and to approve such plans in its discretion;
- (i) oversee the compensation and benefits structure applicable to the Company's officers and directors, including, but not limited to, incentive compensation and equity-based compensation, provided that, at the Committee's sole discretion, it may submit such matters as it determines to be appropriate to the Board for the Board's approval or ratification;
- (j) in its sole discretion, retain, amend the engagement with, and terminate any compensation consultant used to assist the Committee in evaluating any officer or director compensation. The Committee shall also have the authority, in its sole discretion, to obtain advice and assistance from internal or external legal, accounting or other advisors, to approve the fees and expenses of such

outside advisors, and to cause the Company to pay such fees and expenses of such outside advisors;

- (k) review and evaluate at least annually its own performance with respect to its compensation functions, and to submit itself to the review and evaluation of the Board;
- (l) review and reassess the adequacy of this Charter at least annually and recommend any proposed changes to the Board for approval; and
- (m) perform such other functions consistent with this Charter, the Company's bylaws and governing law, as the Committee or the Board deems necessary or appropriate.
